Dear Parents,

SSESA - Blood Donation Drive:

St. Stanislaus Ex-Student's Association (SSESA) is organising a blood donation drive in our School. I am sure parents, you will be generous in this noble cause as there is an acute shortage of blood.

VENUE: THERAPY ROOM   TIME: 8A.M. – 12 NOON   DATE: Saturday, 19th November 2011 (Open Day)

YOKIBU SMS SYSTEM REGISTRATION:

Kindly update your details with us in the data form available with the Class Teacher. Your email address and Mobile number are required for sending you urgent messages from time to time. Kindly appreciate this initiative to communicate with you more effectively.

ANNUAL SCHOOL PROJECT: (ASP) - STDS. V- IX

I am sure you have received the circular explaining the Annual School project earlier. We expect you to choose a topic of your son's interest. This will propel him to work happily and give his best. The project involves at least 40 hours of work including reading and discussion time.

We want students to perfect the skill of designing projects and presentations. This skill will initiate him for future presentations at a higher level.

INVITE FOR PROJECT GUIDES :

The ASP involves systematic individual guidance. In addition to teachers, we welcome parents to guide students. We will definitely train and instruct you with the rules involved. I invite you to volunteer and register as a project guide. This will ease the teachers load when guiding students.

The project begins in November 2011 and ends in February 2012.

Kindly fill up the attached form and return it on Monday, 21st November 2011.

All circulars can be viewed on www.stanislausbandra.in

Fr. Jude Fernandes S.J.   18th November 2011
